

Congratulations to Community Action Agency for earning National Accreditation for four of their Early Childhood Programs in Hillsdale County!

In July 2009, Community Action Agency earned NAEYC (National Association for the Education of Young Children) Accreditation for Hillsdale, Pittsford, Reading, and Waldron.

Since 1985, NAEYC has offered a national, voluntary accreditation system to set professional standards for early childhood education programs, and to help families identify high-quality programs. Today, NAEYC Accreditation represents the mark of quality in early childhood education.

NAEYC accredited programs invest in early childhood education because they believe in the benefits to children and families. Early childhood experiences—from birth to age 8—have an enormous impact on children’s lifelong learning and positively contribute to their health and development. Early childhood education programs with the mark of quality benefit children with greater readiness for and success in school. Parents choosing an early childhood education program can be overwhelmed by trying to find the highest-quality program for their child. NAEYC Accreditation is the mark of quality that families are looking for. NAEYC Accreditation gives families the chance to make the Right Choice for Kids.
